

*2015 FAI F3D World Championship
for Pylon Racing Model Aircraft*

Czech Republic, July 6-11 2015, Olomouc Airport

Svaz Modelářů České republiky
(Association of Modellers of Czech Republic)

Member of Fédération Aéronautique Internationale

MK MAMBA Bohuňovice

Bulletin 1, December 2014

■ ... *invitation*

The Association of Modellers of Czech Republic and MAMBA AIR Club Bohuňovice invites all FAI associated F3D pilots and teams to participate in the 2015 World Championship for Pylon Racing Model Aircraft. The event will be held at the Olomouc Airport.

Also invited is Christopher Callow, the current F3D World Champion, and Emil Broberg, the current junior F3D World Champion.

■ ... *flying site*

The World Championship will take place at Olomouc Airport, which is located in the vicinity of the city Olomouc, in Czech Republic.

GPS Location 49°35'16.1"N 17°12'38.8"E

Olomouc Airport is an active airport for small and recreational aircraft, however, for the duration of the World Championship, all activity will be suspended.

For the purposes of the competition, a large smooth-grass field will be used, with tarmac 420×40m landing strip for take-offs and landings.

The flying site will be available for free practice (date to be specified).

■ ... *transport*

By road:

Olomouc is situated close to motorways R35 (E442) and R46 (E462). The recommended route from Prague is via motorway D1.

Airports:

Brno Airport, approx. 75 km (EU only)

Prague Airport, approx. 250 km

Vienna Airport (AUT), approx. 170 km

Bratislava Airport (SVK), approx. 200 km (EU only)

Katowice Airport (POL), approx. 210 km

■ ... *weather*

July in Olomouc and Czech Republic usually offers stable weather conditions, with average temperature being 24.5°C. The average rainfall is 50mm and the weather is generally sunny or partially cloudy. The wind is mild, averaging 5 km/h, south-west direction.

Departure

■ ... **competition rules**

The competition will run according to the FAI sporting code, section 4, Volume F3, Radio Control Pylon Racing Model Aircraft, 2015 Edition. The Super finals are not an official part of the World Championship.

■ ... *competitors and teams*

The total number of competitors allowed from each country and any additional personnel such as team managers will be in accordance with the FAI Sporting Code..

A team may consist of a team manager and a maximum of three competitors and three callers or four competitors and four callers provided that the fourth competitor is a junior.

Pilots may call for each other and a pilot may be the team manager.

The defending World Champion will not be counted as a member of their national team.

If at least four juniors from at least four different nations participate, the junior winner shall earn the title of Junior World Champion.

■ ... *FAI licenses*

Each pilot, caller and team manager must have an FAI sporting license.

All FAI sporting licenses issued by NAC must be registered in the FAI central database in order to be internationally valid.

■ ... *awards*

The Sopwith Trophy, presently held by World Champion Christopher Callow will be awarded to the winner of the competition.

FAI medals, diplomas and suitable plaques will be issued to the pilots and callers for the first three Individual senior and junior places and to the team managers, pilots and callers in the first three teams in accordance with the current FAI Sporting Code Section 4.

For all prize winners the organizer will provide additional prizes.

■ ... *foods and beverages*

These will be offered at the flying site during the competition days in a cafeteria tent at reasonable prices. A simple lunch will be offered for approx. € 7,-.

There are numerous restaurants in Olomouc, where for approx., € 8 - € 10 basic evening meals are offered.

■ ... *anti-doping*

Use of substances listed on the WADA List is prohibited.

In case a competitor has to take any of the substances listed on the WADA Prohibited List for medical treatment then they must have Therapeutic Use Exemption from the FAI.

■ ... **entry fees**

Team Managers	430 EUR
Senior Competitors	430 EUR
Junior Competitors	290 EUR
Callers	175 EUR
Supporters	85 EUR
Closing Banquet	Included in entry fees

■ ... **protest**

The protest shall be submitted in writing, including fee 35 EUR

■ ... **prize giving and closing banquet**

July 11th, 17.00 -23.00 hours

The Prize Giving and Closing Banquet will take place in Clarion Congress Hotel. The ticket for the banquet is included in the entry fees for all participants of the World Championship. Anyone who does not participate in the World Championship (i.e. not paying any Entry Fee), yet still desire to attend the Closing Banquet (family members, friends of the participants, etc.) must pay 40 EUR ticket fee to be able to attend the Closing Banquet. This ticket will provide you with a night to remember, and also a rich buffet and free non-alcoholic drinks for the evening. There will be a possibility to buy alcoholic drinks during the event for good prices.

■ ... **transportation**

All models and material, also during the WCH, can be sent to a central address close to the flying site – 4 km. Jiří Klein sr., is the owner of the company below. This is for the sole purpose of storage before the beginning of the event.

DRACAR OLOMOUC, s.r.o.
Tyršova 590/2
779 00 Olomouc
Czech Republic

■ ... **entry forms**

Preliminary entry forms are enclosed with this bulletin and should be sent to the organizer before March 1st 2015 by e-mail to info@f3d-2015.cz
Final entry forms will be published in Bulletin 2 and must be sent before May 1st 2015.

■ ... *bank account for entry fees and other payments*

Entry fees should be paid in EUR or CZK by bank transfer to the bank account below by no later than May 1, 2014. Payment by cheque is not accepted in any case. The commission for money transfer is at the expense of the payment sender.

A late payment will be added following surcharges, as follows:

May 2 to May 31 (included):	10% fine
June 1 to June 30 (included):	15% fine
July 1 to July 7 (included):	20% fine (this includes cash payments upon registration)

For all payments use the reference: WCF3D

■ ... *radio frequencies*

The frequency band for aero-modelling in Czech Republic is the 35 MHz band: 35.000 - 35.220 MHz. All competitors that use equipment in the 35 MHz band are requested to have 2 frequencies available for use.

Commercially available 2,4 GHz radio control systems are permitted.

These systems have to comply with the European Standard EN 300328.

The use of 2,4 GHz systems is highly recommend.

In case 2 or more competitors use the same frequency in the 35 MHz band, a transmitter impound will be organized for these competitors.

Notice: In Czech Republic, in the GHz band, only 2,4 GHz frequency is allowed.

■ ... **accommodation:**

Olomouc Airport is located approximately 5 km from the city centre.

The city and the suburban area surrounding the city provide a variety of hotels, therefore the organising team negotiated discounted prices for the participants and their families.

It is the teams responsibility to book accommodation in good time.

There are many hotels at various distances from the airport.

Following hotels are ranging from ** to **** and are very cost effective.

When booking your accommodation, *please reference the 2015 F3D World Championship.*

We recommend that you book your accommodation in good time.

The organizer will arrange the possibility of camping at the airport site.
